

The Benefits of Membership

All that we share in Estuary learning is solely for the members of our growing community of folk aligned with the shared vision of bringing the experiential traditional knowledge of plant and energy healing into the future.

Your annual fee gives you free access to all the activities and opportunities listed below*

- Connection to a community with a shared vision of nurturing natural earth medicine.
- Being part of a growing river of knowledge and experience shared freely among members.
- Practitioners, teachers and mentors with great experience in their field. Members who want to learn what you want to teach. You can find a mentor. You can be a mentor.
- Regular Mind Melds, case reviews, presentations, panel discussions, and practitioner mentoring presentations.
- Estuary Learning Seasonal Professional Members-only Magazines, and our Estuary Subscriber's Newsletter. Opportunity to read, contribute, or be part of producing them.
- Members Resources. Our video library of past educational presentations, Estuary Learning Magazines and documents relevant to membership of Estuary Learning.
- Access to our WhatsApp groups for special interest areas, specific working groups, and for our everyday communications.
- The Website Forum for announcements and links to upcoming events, personal communications between members, a library of shared information catering for specific topics and interests.
- Estuary Learning Zoom Gatherings and Fair Days. Live Gathering should return post pandemic.
- The opportunity to improve and grow your practice, and to increase your knowledge base and learn new skills including those not directly identified with Natural Earth Medicine eg teamwork, collaborative leadership, technology of presenting online, public speaking, writing, editing.
- A chance to make a positive difference in the world, cultivate wisdom, depth of spirit and good karma.

*A ticket price or donation will apply to any major events that incur costs that need to be covered, or events that are specifically designed to raise funds for Estuary Learning

Estuary Learning Code of Conduct (cont.)

Misunderstanding, Disagreements & Dispute Resolution

Difference of opinion is welcome in our community. It is the responsibility of all members involved in a disagreement to actively work toward a positive outcome.

If a dispute arises it is an indication that the members involved have failed to understand the living principles of Estuary Learning.

If a dispute should eventuate it can be referred through our Estuary Learning Resolution process.

Estuary Learning Philosophy and Ethics

1. At Estuary Learning we respect equally the varied modalities of Natural Earth Medicine.
2. Estuary Learning is an earth-centric philosophy. Preserving a healthy Earth environment and ecology is fundamental to our existence. We honour Mother Earth.
3. Estuary Learning is a collaborative association. We operate through a process of dialogue, peer review, and mentoring. We value cooperative leadership.
4. Estuary Learning is a culture of sharing knowledge, experience and wisdom.
5. We respect equally the varied educational lineage and traditional learning of Natural Earth Medicine found within our membership.
6. We treat one another with respect and kindness. We value thoughtfulness and mindfulness. We are supportive of each other's ongoing development.
7. We make decisions aligned with Estuary Learning Values, which are at the core of everything we do.
8. We value connection and accessibility. We maximise accessibility to education and mentoring for our members. We do this regionally and financially.
 - a. Regionally we are accessible through technology or face-to-face learning.
 - b. When possible, we share clinics and workspaces for education and mentoring.
 - c. We are financially within reach of our members and community.

The Philosophy of Estuary Learning, its ethics and values are the core significant factors in the consideration of all matters arising within Estuary Learning.
